

Dear Friend of the York County Fair,

We are excited to celebrate 150 years of York County Fair this year! We have been busy lining up some great events and entertainment for this year's fair and we are asking for your financial support in helping cover some of the costs of these events. We have multiple levels of support available again this year:

Platinum, Gold, Silver, Bronze, and Friends of the Fair. This York County Fair is a wonderful opportunity for exposure of your name and business to the many attendees and supporters of the fair.
