About us:

The York County Fair Foundation was created in 2022 where families, individuals, businesses, and all that grew up and enjoyed the County Fair over the many years can play a vital role in the future of their Fair. In 1872 the Agricultural Society was formed and the first York County Fair was held in 1873. The York Fair has survived drought, depression, war, and the test of time. We can proudly boast of having one of the finest fairs and facilities around.

The Fair is an annual gathering place for friends and families. Friendships as well as competition are renewed annually and the efforts of the past year are evaluated. The York County facilities have been maintained and improved over the years and the York County Fair Foundations goal is to continue these efforts so that these facilities can be available, improved and many successful County Fairs held for years to come.

How to donate:

The York County Fair Foundation is a 501c (3) non-profit organization, so your donation is tax deductible.

Make a one time donation:

Detach the form to the right and mail with a check made payable to York County Fair Foundation.

Memorial donations:

Remember York County Fair Foundation in your will or memorial giving.
